NOTICE
TENTATIVE WASTE DISCHARGE REQUIREMENTS
WASTE DISCHARGE REQUIREMENTS
FOR
LOCKEFORD COMMUNITY SERVICES DISTRICT
WASTEWATER TREATMENT FACILITY
SAN JOAQUIN COUNTY

TO ALL CONCERNED PERSONS AND AGENCIES:

Staff has prepared tentative Waste Discharge Requirements for Lockeford Community Services District, Wastewater Treatment Facility. Any comments or recommendations you may have concerning the enclosed tentative Order should be submitted to this office by **1 October 2007** in order for us to give them full consideration prior to the **5/6 December 2007** meeting of the Regional Board. Because the Title 22 Engineering Report was submitted on 21 August 2007, the California Department of Public Health has not yet provided comments on that report. Those comments will be included to revise the tentative WDRs as appropriate.

In order to conserve paper and reduce mailing costs, a paper copy of the tentative WDRs has been sent only to the Discharger. Interested parties are advised that the full text of the WDRs is available on the Regional Board's web site at:

<http://www.waterboards.ca.gov/rwqcb5/tentative> under the heading of "Discharger-Specific Orders for Future Board Meetings." The item will be posted by 5 September 2007.

Anyone without access to the Internet who needs a paper copy of the tentative order should contact Timothy O'Brien at (916) 464-4616.
